missioner of Patents: Patent Office, Feb. 15, 1542.

Mr. William P. Ellior, who has been formerly employ in the Patent Office as a Draughaman, &c. having estailabed a Patent Agency in the city of Washington, I ta five of confidence, and as being particularly qualified take charge of any business requiring a knowledge of rehancies sleenes, the progress of the stra, and patent is

Wellar's Patent Japan Liquid Paste BLACKING.

THE undersigned begs leave to call the attention of those I desirous of using a good article of Blacking, to the abovenamed. The Manufacturer, knowing the excellent properties of this Blacking, sent samples to various persons (such as Boot Makers, &c.) also to several of the newspapers. The extracts understead are from some of the papers, they speak for themselves, also several persons who tried in two called and said that the Jopan Liquid Blacking was superior to any thing they had ever used.

mend It.—N. American, April 18.

Whiter's Blocking is one of the most superb and sat factory articles of the day, it imparts a brilliance and i like wise. "Spirit of the Times, April 2.

By reference to another column, an advertisement we be found for an excellent article of Blacking, in a Liqu form, for Boots, &c. It has been highly recommended many who have the control of the things of the things of the things of the many of the second of the second of the many of the second of the second of the many of the second of the second of the many of the second of the second of the second of the manufactor of the second of the sec

Patent Blacking.—Mr. J. Weilar, No. 50 Chestnut street as prepared a Patent Liquid Blacking, which produces a saultful jet polish, and does not injure the leather. Those ho would have a polished understanding should read the vertisement in another column—U. S. Gazette, May 1.

Wellar's Patent Japon Blacking is about the best article the kind we have seen. The pollah which it imparts to sundereformings of man is brilliant and lasting; we are tried it, and it boosts us to say all this in its behalf.

[Leening Bulletin, June 7.

[Evening Bulletin, June 7.

The Manufacturer can produce numerous testimonials similar to the above, from private individuals and from other papers, but the above extracts are sufficient to convince any person that the manufacturer has not exaggerated; but that upon a size trial the Blacking will be found as represented, excellent in every respect.
